(09th-13th February)

TEACHERS TRAINING PROGRAM

One week Training Programme for teachers was organised by SAGES Chirimiri focusing on modern teaching methods. The teachers actively participated in the training program and enjoyed the session thoroughly.

(15th February) OFFLINE CLASS STARTED

From 15th February onwards the school reopened for High School students from Classes IX to XII. The students and staff were instructed to follow all the guidelines of COVID – 19 like social distancing, wearing masks and using sanitizers frequently.

They were allowed to enter the class only after the oximeter test, temperature checkups and hand wash. The classes were quite joyful for the students as they came back to school after a long period of time.

(15th-19th February)

KEEP TALKING CAMP

A 5-day “Keep talking Camp” was organized at SAGES Chirimiri on the instructions of SCERT Raipur. This camp was monitored by the SCERT appointed officers. The proceedings of the event were successful.

(16th February)

BASANT PANCHAMI CELEBRATION

The festival of Basant Panchami was celebrated at SAGES Chirimiri on 16th February with simplicity. All the staff of the school worshipped Goddess Saraswati who is the goddess of knowledge, language, music and all arts. It is a festival that marks the preparation for the arrival of spring season.

Basant Panchami also marks the start of preparation for Holika and Holi, which takes place forty days later. The season and festival also celebrate the agricultural fields ripening with yellow flowers of mustard crop, which Hindus associate with Saraswati's favourite color. People dress in yellow sarees or shirts or accessories, share yellow-coloured snacks and sweets.

(25th February)
INSPECTION

The school was inspected by Swami Atmanand Government Excellent English School Chirimiri, Editorial Advisor of Jan Mana Patrika Shri Samarendra Sharma Raipur and PRO Public Relations District Korea and references of Students, Students and teachers from school . Detailed information was taken .The children presented their goals, curiosities and experience effectively.

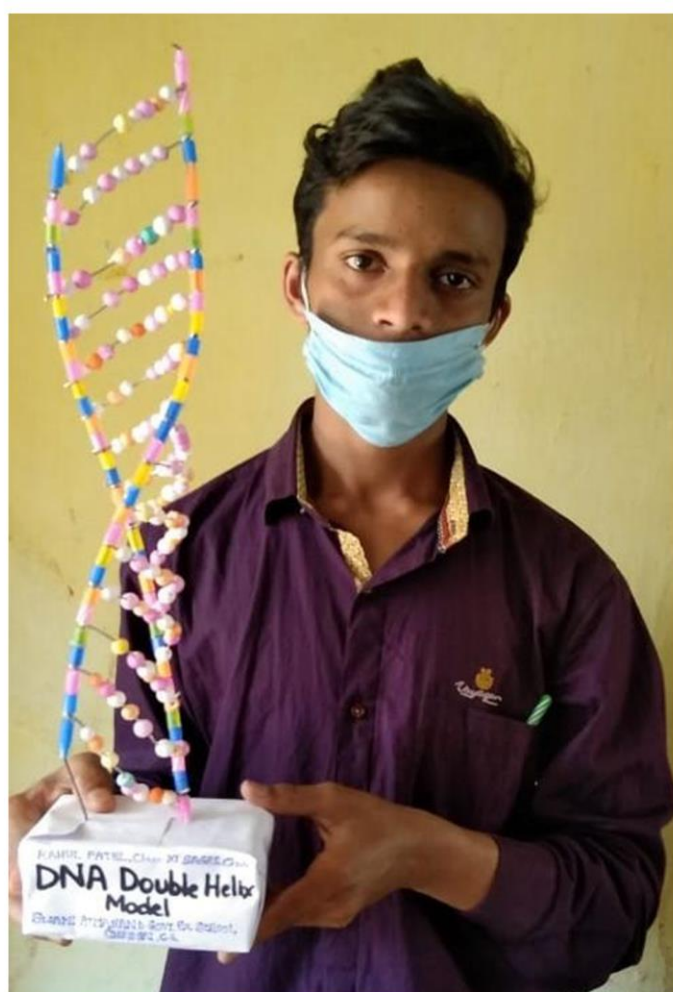

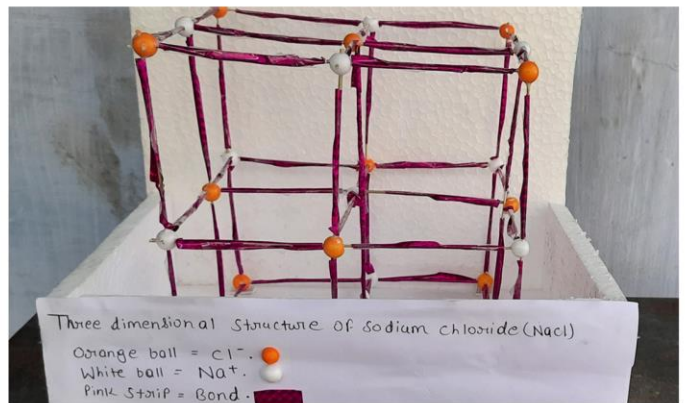

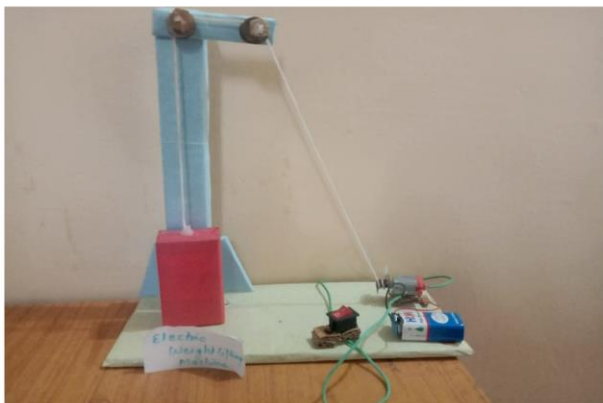

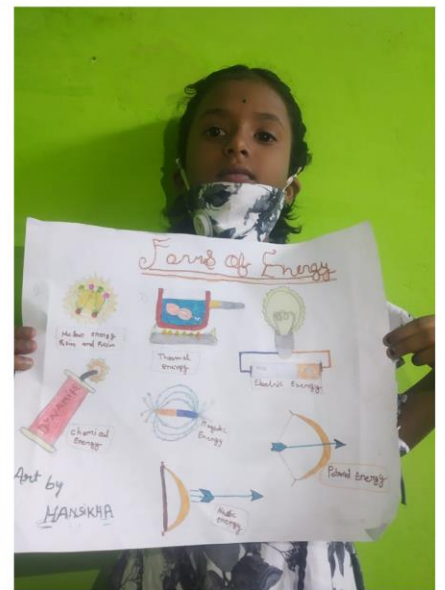

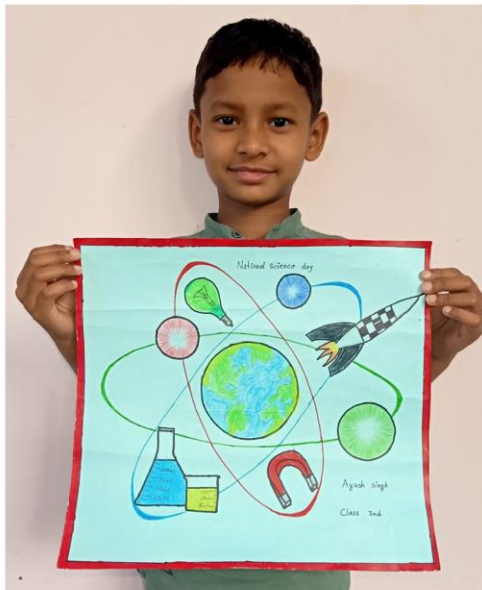

(28th February)

NATIONAL SCIENCE DAY

National Science Day is celebrated in India on 28 February each year to mark the discovery of the Raman effect by Indian physicist Sir C.V. Raman on 28 February 1928.

The students of SAGES Chirimiri presented their working models like DNA double helix Model, RNA model, Structure of NaCl, different poster of National Science day etc.

STATE PROGRAM

A state level training program was organised for all the Principals of Excellent Schools at Chhattisgarh Administration Academy, Nimora under the able guidance of Principal Secretary Dr. Alok Shukla. The principal of SAGES Chirimiri Dr. D.K. Upadhyay represented Sarguja division and attended the training program and shared his views for future planning and administration of excellent schools amongst all the Principals of SAGES.
